

NURSE REMINDERS

- I am asking all our parents to please check with me or the teacher before sending any treats in for the students during the upcoming holidays. There are NO Peanut/tree nut snacks permitted. Many store bought treats contain these products so labels must be read!!! I have attached a sheet of good resources for you to review, but you still need to read labels being items change from time to time. I appreciate your consideration to this matter. Every year the question of Dunkin Donuts comes up and to be clear they are not permitted. Any items sent in that do not comply with these requirements will be sent home!
- I am still waiting on a few 6th grade students' physicals and updated immunization forms. Tdap and Menactra are required for this school year, and the state of New Jersey auditors will be coming to our school over the next month! Reminders have been sent out!
- During October we will be doing a Jean Day for Breast Cancer, this year it will be on October 18th. The donation is 1.00 or whatever you wish to donate.

Thank you in advance for your support and your consideration to those students with life-threatening allergies.
