

Welcome Aboard!!

We are very happy to start a new school year with your children.

Everyone is very excited to welcome a new crew of children and at the same time to welcome back our returning students.

The theme of this school year is "Magic" - Believing in what can't be seen. As a faith-centered community, this reinforces that although God can't be seen physically, we see Him in the goodness of others.

If you have any questions or concerns please feel free to contact the office at 732-251-7430 or gmartin@icsspotswood.com
